

## *Pouilly-Fumé « Cuvée Prestige les Bénédictins »*

---

### *Presentation*

---

**Variety:** 100% Sauvignon Blanc

**Colour / nose:** A clear golden colour. A complex nose, with mineral and smoky notes on a base of candied fruits and ripe citrus.

**Ageing potential:** 8 to 10 years

**Serving temperature:** Serve fresh at 10 to 12 °C

**Tasting notes:** In the mouth the material is enveloping and silky, a velvety fruit. A great aromatic richness, a delicate candied note.

**Pairing:** it pairs with refined dishes, dare to try with powerful or spicy foods.

### *Technical details*

---

Pouilly-Fumé 'Cuvée Prestige les Bénédictins' comes from the same site as 'La Loges aux Moines'. We make it only in the best years, it is vinified separately in a buried concrete tank, and left on lees for at least a year, without temperature control, and a partial malolactic fermentation. It is thanks to the know-how of our ancestors that we obtain this magnificent wine, with vinification methods atypical in modern times.

**Variety:** 100 % Sauvignon Blanc

**Localisation:** Les Loges.

**Production:** 6 000 bottles

**Viticultural practices:** limited intervention. The earth is ploughed, the only fertilizer used is organic and only when necessary.

**Vinification:** Pneumatic pressing. Spontaneous fermentation with natural yeasts from the grapes. The wine is aged in concrete in the earth without

temperature control, matured with a fine layer of lees, partial malolactic fermentation. The lunar calendar is followed.

**Continental climate:** cold in the winter, hot and dry from the Spring to Summer.

**Terroir:** Kimmeridgian marl

**Vine age:** 30 years

**Plantation density:** 6500 vines per HA.
